## **1 Time and Place**

2:00-3:00 pm on Friday 28th April 2023.  
Hub Central room 3035.

## **2 Quorum Announcement**

The Chairman announced that all people were present, and that the meeting was ready to proceed with its business.

## **3 Summary of previous meeting**

The Secretary provided a summary of the previous meeting. The team showed the client some improvement on each page made by the team.

## 4 Topics of the Meeting

### 4.1 Review the progress of request page

- (1) Wanxia showed the front-end page UI, icons are added to make the website more user friendly.
- (2) Kaini explained the back-end APIs logic used in request page.
- (3) Kaini and Wanxia showed some edge cases successfully handled by the system.

### 4.2 Review the progress of return page

- (1) Wanxia showed the usage of front-end page. It can return all or partially return the equipment which has been collected by students.
- (2) Chang explained the back-end APIs logic used in return page.
- (3) Chang showed some test cases of return page.

### 4.3 Review the improvement of equipment and student pages

- (1) These pages were improved slightly. Wanxia and Chang showed the client the improvement of front-end UI.
- (2) Chang and Kaini explained the dependent relationship between the built pages.

### 4.4 Review the creation of action history page

- (1) Chang, Kaini and Wanxia showed the client the extra page made in milestone 1: action history page.
- (2) Wanxia showed the front-end UI. Request and borrow history can be checked using the switch tabs on the left top.
- (3) Chang and Kaini explained the backend logic of this page.

### 4.5 Client's evaluation for milestone 1

- (1) All the team members asked the client to evaluate milestone 1 progress of this project.
- (2) The client made some positive feedback on milestone 1 progress about both frontend and backend.

### 4.6 New Tasks for the next few weeks

- (1) Integrate login page.
- (2) Create student end webpage.
- (3) Try to create an email notification function.
- (4) If time permits, apply fuzzy search to the existing search bar (potential extension).

## **5 Other issue**

- (1) A logo may need to be added to the login page and the main menu of the dashboard page.
- (2) The action history table may need to display more details of request and borrow history.

## **6 Adjournment**

The estimated next meeting is scheduled for Wednesday 3rd May 2023 at 10am. The team and client agreed to discuss any agenda items at that time.
