The seventh MCI group Project client meeting will be held in hub central room 3033 at 2 pm on Thursday 20 April 2023

Agenda

Chair: Wanxia Yang

Secretary: Shuxiao Peng

Members: Chang Liu, Kaini Chang

1 Apologies

None.

2 Summary of previous meeting

None.

2.1 Functional requirements and Presentations in Last Meeting

Review the function list of milestones 1. Demonstrate plan of the student interface page including request, borrow, return, equipment, student and action history.

2.2 Problems and solutions

2.2.1 Old database license expired.

Solution:

Use another student account to register starter package on MS Azure. Database move from old address to new address on Azure server. Rewrite database file in backend and successful reconnect on new database.

2.2.2 Front-end and back-end connection issue

Solution:

Organize the regular meeting of front-end and back-end team. Pause the front-end

process and review the back-end code. Diagnose the back-end current data structure and start modification.

3. Group process report

3.1 Front-end process
Add the six parts of student interface components including request, borrow, return, equipment, student and action history.

3.2 Back-end process

Finish the data base building. Add the equipment and user API on back-end.

4. Client Q & A

4.1 The confirmation for adding email function
4.2 The milestone 1 feedback collection

5. Other issue

Development plan for week 7.

Note: Next meeting will be held on 26th April 2023(flexible).
